## **WHAT DOES OUR SERVICE OFFER?**

### **INTER SCHOOL COMPETITIONS**

You will have the opportunity to select and attend the number of events your level of SLA dictates. Events may include 'Multi Activity Days' or MAD days where a number of different sports/activities are offered on the same day. Events will take place at the most suitable venue (secondary school site, sports club/organisation site or primary school site).

### **INTRA SCHOOL COMPETITIONS**

Do you adopt a house system in school? If not, do you provide classes/year groups with a chance to compete in a fun competition at the end of a block of work in different activity areas? If not, TSA can deliver this for your school across the year. Either by choosing 1 event p/half-term or 1 p/term, we can create a house system, train leaders to support events or provide leaders from a secondary school and add significant value to your whole school offer for PE and Sport.

### **INSET**

The TSA will deliver a minimum of 1 INSET opportunity each academic term. In all packages your school would have access to each of these for an unlimited number of staff, however they are mainly targeted at PE leads and Head Teachers. For Silver and Gold members we would also provide 1 or 2 whole school INSET opportunities (topic(s) decided by school) for some/all of your staff in your school setting and at a time to suit your needs.

### **LEADERSHIP TRAINING**

Playground Leaders Training will consist of 1-day training for a class of Y5 or 6 pupils. This course equips pupils with the skills and ideas to make playground space/break times and lunches more activities for ALL pupils. Bronze Ambassador Training will consist of 1 day training for 4—8 Y5 or 6 pupils identified by you. This course equips pupils with the skills/ knowledge to plan and deliver inter-school competitions/personal challenges. This programme will also include 3 x 1/2 day support/mentoring sessions, either to support/observe competitions being delivered and/or support BA's review and plan further events.

## **TEACHING**

Teaching including CPD opportunity or PPA cover.

1 day / ½ day teaching to include delivery of high-quality PE from 9.00am—12.00pm and/or 12.30pm—3.30pm to KS1 and 2. Teaching to cover any activity within NC guidance to suit your school's needs. This can also enable team development towards competition. This could also include support/mentoring or trained Playground Leader/ Bronze Ambassador leaders during morning/afternoon/lunch break times.

Gold level also includes delivery of an afterschool club on the nominated teaching day. This could be targeted towards involvement in in afterschool club on the nominated teaching day. This could be targeted towards involvement in inter-school competition, a targeted intervention opportunity or a general participation opportunity. This can also be purchased as part of the Silver Plus package.

## **THEMED DAYS: PLEASE BOOK EARLY TO AVOID CLASHES.**

It may be Olympic year or football Euros for men or women, or you may wish to use the power of media campaigns such as This Girl Can to inspire pupils within your school. TSA staff will plan and deliver a themed day within your school to suit your needs, including training and deploying sports leaders from your school or partner secondary schools.

## **PE AND SPORTS PREMIUM COMPLIANCE CHECKS**

TSA Head of Service Chris Jew has a Compliance role within TrustEd Schools providing trust schools with monitoring and evaluation checks across a number of areas, including the use and impact of the PE and Sport Premium grant funding from government. We are now pleased to be able to offer this same service to other TSA partner schools. This involves a 'no risk' check of a school's PE and Sport Premium Strategy, evaluating the use of funding against national guidelines and provide support to evaluate the impact of funding use towards completion of national reporting process.

## **GETSET4PE**

Continued 30% discount from the yearly subscription fee for this excellent online teaching and learning platform for PE. This includes long/mid/short term planning support for all curriculum activity areas plus lots of useful information for subject leads to support them in their role.
