[Information about the school](#)

[Job Description](#)

[Person Specification](#)

[Information on how to apply](#)

Thank you for showing an interest in our school. Having read the enclosed information, I trust you will feel encouraged to apply for the teaching assistant vacancy within the Personalised Learning Department and The Space, a newly established support and inclusion centre.

The departments are well resourced in their own accommodation. They are expanding and are highly successful in providing general classroom support and / or support to named students.

The successful candidate would work under the direction of the Head of Personalised Learning to support the learning of students across the curriculum. This may include the preparation and development of resources when working with students out of the classroom.

An application would bring you a step closer to working in a busy, but really friendly and supportive environment.

Mary Webb School and Science College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

I look forward to receiving your application.

Yours sincerely,

Miss Emma Weston
Acting Headteacher

Interviews to be held: Week commencing 13th July 2026

Information about the school

Mary Webb School and Science College is situated in a particularly beautiful location in the village of Pontesbury, just a few miles south of Shrewsbury. The site, surrounded by hills and woodland, provides an ideal setting for a school that aims to provide an educational experience firmly rooted in a modern rural context. We seek to open minds and widen horizons by ensuring that all our students are prepared for the challenges of life in the 21st century.

As a relatively small, community secondary school of over 700 students, staff and governors, we feel that the school has a number of distinctive features that makes it a little bit special. We aim to provide an environment in which each and every student can develop and flourish, and where the pursuit of excellence, in terms of personal development and academic achievement, is the aspiration of all. Relatively small class sizes ensures that every student receives personal attention.

The curriculum at Key Stage 4 is based around a core GCSE offer. We believe that this provides students with robust qualifications that support transition to post-16 education, training and employment. GCSE examination results at Mary Webb School and Science College have been good in recent years and are above national averages for attainment and progress across the curriculum.

GCSE results in 2024 saw us achieve a very pleasing Progress 8 score of +0.08. 65% of our students achieved GCSEs in both English and mathematics at grade 4 and above and the school's Attainment 8 score was 47.84, which was in line with the Shropshire average for secondary schools. Over 10% of GCSEs awarded to our students were at grades 8 or 9. Most importantly, all our students were able to go on to the destinations they planned to in September 2024.
